

# New Constructs Investment Research on Thomson ONE® Wealth

Investment research that reads the fine print, so you don't have to

Get access to the hard-to-spot details that make you a smarter investor. Unearth the data previously hidden in lengthy, footnote-heavy public documents like SEC filings and 10-K reports. We scan thousands of documents instantly, and find the facts that companies prefer you never notice.

**20%** 

of CFOs say earnings are "fudged"

**30+** 

years of finance and accounting experience by **New Constructs staff**

**200+**  pages

**More places to hide data:**  
The average length of a **10-K** is as long as a novel ... filings have grown in size and complexity

More data from more companies than you could ever cover manually

**132,583**

asset write-downs found over the last 5 years, plus early warnings of fraud and bankruptcies

**13**  years

of using **stable and consistent technology**

**80,000** 10-K REPORTS

**40,000** 10-Q REPORTS

**120,000** FILINGS PARSED

We collect, compare and analyze data from

**3,000**

public companies

**450**

EFTs

**7,000**

mutual funds

**10,000** 

ratings calculated **each night** with alerts

**5,000+** 

earnings and valuation models

**50**  client portfolios

New Constructs shines a light in the dark corners of a broad swath of SEC filings and reveals an accurate – if not always flattering – picture of corporate value.
